

FCSCC Meeting Minutes

4/1/08

7:30pm

Attendees:

Keith Scala

Tom Bracci

John Williamson

Jim Velgot

LOT STATUS

Stratford:

AVCO lot is available – logistics of working around motorcycle school still in progress.

April 20th event a GO at this AVCO lot.

Special thanks go to Jim Jaffe and Adam Radzimirski for making the event happen.

Plainfield:

April 8, 2008 for initial town meeting, then all club support will be needed for May 14th town meeting.

Lot ownership most likely ok with continuing autocross at Plainfield site.

Issues with both locations:

Insurance – Stratford location requests that we have \$5mill in general liability coverage, versus the current \$1mill. Plainfield also asked about this as well. This is a significant cost increase per event/year.

Motion raised and passed: Increase insurance to \$5mill coverage.

Event schedule may change, depending on lots.

VAN PARTY

Jim Jaffe is hosting cleanup, installation, organization of FCSCC timing van. Activities include:

Remove and re-pack all equipment

Entry form organization

Purge cones

Trophy inventory

Setup timing software

Wire timing system as foolproof

Set up FM transmitter

OTHER ITEMS

Training on registration process and new timing software to occur soon.

April 20th event – a portion of the proceeds from April 20th event will go to the Law Enforcement Torch Run for Special Olympics.

Second laptop quotes given to President and Vice President by Secretary.
