

## FCSCC Meeting 6/3/08

Meeting called to order at 7:22PM

### *Member Attendees:*

Jim Velgot	Tom Bracci
Rob Carter	Jim Jaffe
Justin Lau	Keith Scala
Dave Williamson	John Williamson
Dennis Polio	

### **Debrief of last event:**

1. Duplicate car numbers are a problem. No classes on cars either. Denis said they need to tell people at registration that class needs to be on the car. Denis made a motion, Jim Jaffe 2<sup>nd</sup> to NOT ALLOW DUPLICATE #s; Additionally, Keith added that members have #s reserved. The vote was unanimous in favor of no duplicate #s and members # reserved.
2. Delay of inputting walk in data: Not sure exactly what happened with that so Keith will ask key personnel who are not in attendance.
3. To many cars in line: Only need 6-8 cars
4. We need the safety meeting summary written up so it can be read and keep it moving. Keith will update the script done by Bill Stone and give it to Justin Lau before the next event.
5. Call it a safety meeting and make sure that everyone on the lot is aware that they need to be in attendance. Perhaps tell the gate people that all people need to attend.
6. All course workers and drivers need to be just as, if not extra, vigilant during fun runs or fun runs will need to be discontinued. Someone other than the starter taking the money may alleviate some of the problem.
7. Porta-potties have been ordered and will be put in the same place
8. Radio transmitter jack broke. Dave will fix.
9. We should try to post a printout after every 90 minutes during events .

John Williamson volunteered to be the July 6 event chair. David Williamson volunteered for the July 12th. Justin Lau is June 15<sup>th</sup>. The Jims (Velgot & Jaffe) are doing the course for the June 15<sup>th</sup> event.

After the July 6<sup>th</sup> event, there is a picnic at Keith & Rocket Scala's house.

Possibly 1-3 police chiefs running their cruisers at the June event.

### **New Business**

Tech inspectors may mention to people if they have a modifications that kicks them out of the class, but it is not their responsibility.

We need to look at more lots again because we don't know if we will get the Stratford lot back.

Keith & John are going up to Plainfield for their next zoning meeting.

**Denis contributed treasurers report.** 49 memberships; 7 family, 42 individual. Moved and accepted. John made a motion; to authorize Denis to have an accountant to go over our books for tax purposes (we are non-profit but not tax exempt). Keith seconded it. Vote taken, motion approved.

Meeting adjourned at 9:24.
